

For a world without hunger

INVITATION TO TENDER

SUPPLY OF HARDWARE MATERIALS FOR THE CONSTRUCTION OF WATER KIOSKS AND RETROFITTING EXISTING WATER KIOSKS IN DZALEKA

Welthungerhilfe (hereafter WHH or Contracting Authority) was established in 1962. It is today one of the largest private organizations working in the area of development cooperation and humanitarian aid in Germany. The organization is non-profit-seeking, non-partisan and non-denominational. Donations from the population at large fund our work in over 40 countries in Africa, Asia and Latin America. In addition, WHH receives grants from the Federal German Government, the European Union, the United Nations and the United States Agency for International Development.

The project "Scaling Sustainable WASH Solutions for Dzaleka" aims to transition Dzaleka Refugee Camp from an aid-dependent setting to a community-driven, financially sustainable model for WASH and waste management. Therefore, the need has risen to procure the hardware materials for construction of new water kiosks and retrofitting existing water kiosks.

Interested suppliers/companies can submit the financial proposal by registering free of charge on our e-tender portal through the link below.
