Malawi

1. Background

Habitat for Humanity Malawi (HFHM), affiliated to Habitat for Humanity International, is a non-profit Christian organization aiming at improving housing conditions in Malawi. HFHM was established in Malawi in 1986 and has assisted over 133,800 families through different housing solutions. Guided by our vision, 'A Malawi where everyone has a decent place to live,' we continue to work toward transforming lives through sustainable and affordable housing initiatives. In addition to housing, HFHM has undertaken Water, Sanitation and Hygiene Projects in Lilongwe, Thyolo and Mulanje Districts.

With funding from the Foundation Germany Lions (BMZ), HFHM is inviting suitably qualified, experienced and competent Construction companies to submit tender proposals for the following works:
